THE DRINKS

◆ WORLD CLASS COCKTAILS

Long Story Short's main focus is it's amazing cocktails. We have a house menu of thoughtful and delicious drinks crafted by talented bartenders. Among this is a balanced selection of beer and wine from local breweries and wineries around the area.

◆ Chop and change structure

If there is anything we don't have that's vital to the success of your function or the entertainment of your guests, we'll get it. Our entire menu is seasonal and as such, is very easy to change on the fly for functions and events.

◆ Full Menu Availability

Our full menu can be viewed online using the link below:

<https://longstoryshortbar.github.io/LSS/>

We don't limit our menu for events unless specifically requested by the function host.

THE FOOD

Dirty Depot is Simon Bryant's HQ of dirty inc & Dirty food - his catering business located directly across the street!

We can organise bar snacks and platters for service at Long Story Short with 14 days notice. You can see our current food menu using the following link:

<https://longstoryshortbar.github.io/LSS/>

For larger events, it may be more appropriate to organise outside catering or food truck to set up in our car park!*

We recommend Dirty Depot - please email directly at janette@simonbryant.com.au for pricing and to organise an Asian circus of woks, pots and steamers - fast and furious - with a serious approach to food - Hawker Street Food Style!

*All outside catering will incur a \$300 carpark surcharge
